Elden Ring Features Key:

Good graphics. Turn-based battles. Various enemies to hunt. A vast, original world.

Galaxy-spanning world. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you.

Create your own character. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong

warrior, or mastering magic.

An epic drama born from a myth. A multilayered story told in fragments.

An epic drama in which the various thoughts of the characters intersect in the Lands Between.

A distinctive battle system that will teach a new sense of strategy.

A unique online play that loosely connects you to other players.
