Are you ready to join an epic, totally immersive story? A story of lies, deceit and betrayal, A story where your actions will have an impact on the future of destiny. A story whose every choice will shape the development of your character. And then, along comes the Honnête Knight, An ally who is willing to help you on your journey. To protect you from the enemies who would rather forget you. To aid in your quest to claim the strength that has been denied to you... A story full of twists and turns, A story filled with conflict and controversy, A story where your decisions affect the outcome. A story that will lead to the power of life or death. Will you choose life and restore the power to all the lands? Or, will you choose to kill and join with the forces of darkness? A story where your future is written by others, The other players who are involved in this journey. A story where your fate is the result of your actions, And you will have to shoulder the responsibility of your choices. A story where something is missing... Something you are not able to control... Something you don't have the power to change. A story that will be your fate... The fate of others... Your own destiny! *Every adventure starts from the beginning, and the story line isn't over yet. You can also continue to play from where you left off! When your friends play the game, you'll be able to play with them without having to start over! *The Stakes Are High You can join the Honnête Knight and reach an important stage in the story without having to start from the beginning, If you aren't satisfied with the choices you have made in the last chapter. Or if you don't know what to do after the story ends in the midst of a battle. If you think your allies have given up on you, and you can't find your way out of an important place in the story... *Stuck in an Agreed-Upon Role, but wish to change to a different Role? Can't find the way out of a tough spot in the story? If you think the story is in an awkward place and you just can't handle it anymore... You can quit the game without losing your progress. 1. General Elden Ring is a role-playing action game developed by Wukong Games and published by XSEED Games. The game centers on a female protagonist named Risen who wields the power of the Elden Ring, an ancient artifact that supposedly gives its wielder magical powers. After the protagonist is mysteriously transported to a world called “the Lands Between,” she is forced to explore vast and diverse lands in order to escape from the “Gods of Red.”

Controls The only control scheme utilized in the game is the mouse and keyboard. The game’s controls emulate those of a traditional role-playing game, as would be expected by a game that can be played with a mouse and keyboard. Various hotkeys, such as the ability to pause gameplay, can be assigned to mouse buttons to provide quick access. Additionally, inventory items can be opened and accessed by accessing the mouse scroll wheel, and items can be equipped to characters and objects by clicking the inventory icon in the bottom-right corner of the screen. An auto-save feature and an autosave feature in the world map or exploration map are both utilized to provide a sense of safety.

Gameplay The main story of Elden Ring takes the form of a traditional role-playing game, with a lengthy linear plot that is split into several main chapters. In the main story, Risen explores the main world map, which is full of various quests, encounters, and NPCs. The main storyline can be split into several different stories, each with their own main settings, character and quest designs, and scripted events. In addition to the main story, there are multiple side stories that follow a secondary protagonist. One side story is a battle against dangerous enemies with a huge number of the foe called Berserkers. Another side story is the faction of the Gods of Red, who worship a false “God” that aims to gather the souls of Elden Ring users. Lastly, there is a side story that follows the fate of the protagonist’s younger sister. In terms of features, Elden Ring has several substantial aspects. The main feature is combat, which
