We are now carefully considering how and when we present each of the section of our Privacy Policy to suit your preferences. We will post an updated privacy notice on this website shortly and encourage you to return to the site regularly to review it. Data Protection We are committed to protecting and respecting your privacy. Data Protection The Information Commissioner is the independent watchdog for the data protection issue in the UK and, if you have any queries relating to this issue, contact the data protection office at If you are a data subject, which is someone who is the subject of personal data, you have rights in law to object to the processing of your personal data, and you also have certain other rights relating to data of others (where possible we will verify your identity before disclosing your personal data to you). You have the right to ask us to confirm whether we are processing your personal data and, where appropriate, ask us to give you a copy of the personal data we hold about you. You have the right to ask us to correct any errors in the personal data we hold about you. If you believe that we are using your personal data unlawfully, you have the right to ask us to erase the personal data we hold about you, subject to certain restrictions and exceptions.An auto-inducer substance known as "autoinducer-2", referred to as AI-2, was first discovered in 1971 by David D. Joyce, L. Salzman and Stanley Falkow in a growth medium of Staphylococcus aureus. To date, AI-2, and its structure, have been characterized as an acylated homoserine lactone that diffuses readily through unmodified agar. (D. J. Joyce, L. Salzman, and S. Falkow, J. Bacteriol., 154:395 (1983)). Various organic molecules
